Kanchenjunga - Character Set Support

The Kanchenjunga font supports the characters in the Kirat Rai block. The script is used by the Bantawa language of Sikkim in India.

Supported characters

The following character ranges are supported by this font:

Unicode block	Kanchenjunga support
Kirat Rai	✓
Codepage 1252 (Western)[1]	✓

A selection of characters from the General Punctuation block, such as various-sized spaces, are also supported.

[1]Inclusion of basic Latin repertoire is provided as a convenience, e.g., for use in menus or for displaying markup in text files; these fonts are not intended for extensive Latin script use.
